

PRESTON ROYAL VILLAGE

A PLACE BY EDENS

SINCE 1958

For decades, the neighborhoods surrounding Preston Royal Village have relied on the center for its warm atmosphere and its unique places to shop and dine. Families have made memories here, from their first movie at the old Preston Royal Theater to visits to the soda fountain at Dougherty's Pharmacy.

TO TODAY

Inextricably tied to the community, the center has grown and changed as new generations continue to take their first steps on the sidewalks, creating new memories as they go.

PRESERVING HISTORY

Preston Royal and the surrounding community have a long history together. Having served the community for 50 years, it has become a place for convenient shopping. But we want to make this a place where neighbors gather, shop, break bread and celebrate the milestones in their lives.

While preserving the history and improving the merchandising and design, we aim to solidify its place in the memories of the community for decades to come.
